claim against the Hirer for costs arising from the container not being available. In such circumstances the Hirer will make every effort to supply a suitable alternative container within a reasonable time to meet the needs of the Hiree.

## **6 ACCESS**

The Hirer must ensure that there is suitable and unrestricted access to the equipment subject to site opening hours. Failure to do so may be a fair basis for cancellation of order. It will not be a fair basis of a claim against the Hirer for costs arising from the container not being accessible. (This term does not prejudice the provisions of the Term of these Terms and Conditions headed 'Suspension').

The storage container is an enclosed area within the definition of no smoking legislation and the Hiree must ensure that no one smokes within the store while the store is on hire.

The Hiree shall be liable in the event of a mishap resulting from actions of the Hiree or involving the contents of the Hiree's self-storage unit which results in damage to the property of other users of the self-storage facilities or to the property of anyone else or the injury to persons using or in the vicinity of the self-storage facilities.

The Hirer undertakes to provide a lockable self-storage facility that is in good order. The Hirer accepts no responsibility / liability for the security of the self-storage unit or its contents nor does any landlord from whom the Hirer has rented land to carry out the business of self-storage, whether the property has security protection or not.

The Hiree is responsible for returning the self-storage unit to the Hirer in good order at the end of the hire period and if not shall be responsible for all charges to bring the self-storage unit to good order including cleaning, removal or rubbish and making good any damage caused including by break-in or attempted break-in.

If it is the opinion of the Hiree that the container is not suitable then provided that this brought to the attention of the Hirer within 2 working days of commencement of the hire then the Hirer will endeavour, where reasonably practicable, to provide a suitable alternative container. If it is not practical then this may be a fair basis for cancellation of order. However it will not be fair basis of a claim against the Hirer for costs arising from a suitable container not being available.

The Hiree shall be responsible for maintaining equipment to the standard as at the commencement of hire (or following repair or improvement), for using the Equipment in a reasonable manner and returning the Equipment on completion of hire in a good condition (fair wear and tear excepted). The Hirer may also suspend further use by the Hiree of the container in need of repair until such repairs may be carried out. The need for repairs may be a fair basis for cancellation of order. However it will not be fair basis of a claim against the Hirer for costs arising from the container, or an alternative, not being available.

## **14 LOSS OR DAMAGE**

The Hirer in so far as the law permits accepts no responsibility for any loss or damage to the Equipment or its contents due to, or arising from, any cause other than due directly to a defect of the Equipment.
